3. PLAN ADMINISTRATION

3.1 Plan Administrator. This Plan shall be administered by and all Awards under this Plan shall be authorized by the Administrator. Any committee appointed by the Board to act as the Administrator shall be comprised solely of one or more directors or such other number of directors as may be required under applicable law. A committee may delegate some or all of its authority to another committee so constituted. The Board or a committee comprised solely of directors may also delegate, to the extent permitted by applicable law, to one or more officers of the Company, its powers under this Plan (a) to determine the Eligible Persons who will receive grants of Awards under this Plan, and (b) to determine the number of shares subject to, and the other terms and conditions of, such Awards. The Board may delegate different levels of authority to different committees with administrative and grant authority under this Plan. Unless otherwise provided in the bylaws of the Company or the applicable charter of any Administrator: (a) a majority of the members of the acting Administrator shall constitute a quorum, and (b) the affirmative vote of a majority of the members present assuming the presence of a quorum or the unanimous written consent of the members of the Administrator shall constitute due authorization of an action by the acting Administrator.

Award grants, and transactions in or involving Awards, intended to be exempt under Rule 16b-3 under the Exchange Act, must be duly and timely authorized by the Board or a committee consisting solely of two or more non-employee directors (as this requirement is applied under Rule 16b-3 promulgated under the Exchange Act). To the extent required by any applicable stock exchange, this Plan shall be administered by a committee composed entirely of independent directors (as defined by the rules of the applicable stock exchange). Awards granted to non-employee directors shall not be subject to the discretion of any officer or employee of the Company and shall be administered exclusively by the Board or a committee consisting solely of independent directors.

3.2 Powers of the Administrator. Subject to the express provisions of this Plan, the Administrator is authorized and empowered to do all things necessary or desirable in connection with the authorization of Awards and the administration of this Plan (in the case of a committee or delegation to one or more officers, within the authority delegated to that committee or person(s)), including, without limitation, the authority to:

- (a) determine eligibility and, from among those persons determined to be eligible, the particular Eligible Persons who will receive Awards under this Plan;
- (b) grant Awards to Eligible Persons, determine the price at which securities will be offered or Awarded and the number of securities to be offered or Awarded to any of such persons, determine the other specific terms and conditions of such Awards consistent with the express limits of this Plan, establish the installments (if any) in which such Awards shall become exercisable or shall vest (which may include, without limitation, performance and/or time-based schedules), or determine that no delayed exercisability or vesting is required, establish any applicable performance targets, and establish the events of termination or reversion of such Awards;
- (c) approve the forms of Award agreements (which need not be identical either as to type of Award or among Participants);
- (d) construe and interpret this Plan and any Award Agreements defining the rights and obligations of the Company, its Subsidiaries, and Participants under this Plan, further define the terms used in this Plan, and prescribe, amend and rescind rules and regulations relating to the administration of this Plan or the Awards granted under this Plan;
- (e) cancel, modify, or waive the Company's rights with respect to, or modify, discontinue, suspend, or terminate any or all outstanding Awards, subject to any required consent under Section 10.5.5;
- (f) accelerate or extend the vesting or exercisability or extend the term of any or all such outstanding Awards (in the case of Options or Stock Appreciation Rights, within the maximum ten-year term of such Awards) in such circumstances as the Administrator may deem appropriate (including, without limitation, in connection with a termination of employment or services or other events of a personal nature) subject to any required consent under Section 10.5.5;
- (g) adjust the number of shares of Common Stock subject to any Award, adjust the price of any or all outstanding Awards or otherwise change previously imposed terms and conditions, in such circumstances as the Administrator may deem appropriate, in each case subject to compliance with applicable stock exchange requirements, Sections 4 and 10.5.5, and provided that in no case (except due to an adjustment contemplated by Section 8) shall the terms of any outstanding Awards be amended (by amendment, cancellation and regrant, or other means) to reduce the per share exercise or base price of any outstanding Option or Stock Appreciation Right or other Award granted under this Plan, or be exchanged for cash, other Awards or Option or Stock Appreciation Rights with an exercise price that is less than the per share exercise price of the original Option or Stock Appreciation Rights, without stockholder approval, and further provided that any adjustment or change in terms made pursuant to this Section 3.2(g) shall be made in a manner that, in the good faith determination of the Administrator will not likely result in the imposition of additional taxes or interest under Section 409A of the Code;
- (h) determine the date of grant of an Award, which may be a designated date after but not before the date of the Administrator's action (unless otherwise designated by the Administrator, the date of grant of an Award shall be the date upon which the Administrator took the action granting an Award);
- (i) determine whether, and the extent to which, adjustments are required pursuant to Section 8 hereof and authorize the termination, conversion, substitution, acceleration or succession of Awards upon the occurrence of an event of the type described in Section 8;

(j) acquire or settle rights under Awards in cash, stock of equivalent value, or other consideration, subject to the provision of the Plan; and

(k) determine the Fair Market Value of the Common Stock or Awards under this Plan from time to time and/or the manner in which such value will be determined.

3.3 Binding Determinations. Any action taken by, or inaction of, the Company, any Subsidiary, or the Administrator relating or pursuant to this Plan and within its authority hereunder or under applicable law shall be within the absolute discretion of that entity or body and shall be conclusive and binding upon all persons. Neither the Board, the Administrator, nor any Board committee, nor any member thereof or person acting at the direction thereof, shall be liable for any act, omission, interpretation, construction or determination made in good faith in connection with this Plan (or any Award made under this Plan), and all such persons shall be entitled to indemnification and reimbursement by the Company in respect of any claim, loss, damage or expense (including, without limitation, legal fees) arising or resulting therefrom to the fullest extent permitted by law. The foregoing right of indemnification shall be in addition to any right of indemnification set forth in the Company's certificate of incorporation and bylaws, as the same may be amended from time to time, or under any directors and officers liability insurance coverage or written indemnification agreement with the Company that may be in effect from time to time.

3.4 Reliance on Experts. In making any determination or in taking or not taking any action under this Plan, the Administrator may obtain and may rely upon the advice of experts, including professional advisors to the Company. The Administrator shall not be liable for any such action or determination taken or made or omitted in good faith based upon such advice.

3.5 Delegation of Non-Discretionary Functions. In addition to the ability to delegate certain grant authority to officers of the Company as set forth in Section 3.1, the Administrator may also delegate ministerial, non-discretionary functions to individuals who are officers or employees of the Company or any of its Subsidiaries or to third parties.

4. SHARES OF COMMON STOCK SUBJECT TO THE PLAN; SHARE LIMIT

4.1 Shares Available. Subject to the provisions of Section 8.1, the capital stock available for issuance under this Plan shall be shares of the Company's authorized but unissued Common Stock or previously issued Common Stock that has been reacquired by the Company.

4.2 Share Limit. The maximum number of shares of Common Stock that may be delivered pursuant to Awards granted to Eligible Persons under this Plan (the "**Share Limit**") may not exceed 1,800,000 shares of Common Stock. The foregoing Share Limit is subject to adjustment as contemplated by Section 8.1 and Section 10.9.

4.3 Awards Settled in Cash, Reissue of Awards and Shares. The Administrator may adopt reasonable counting procedures to ensure appropriate counting and to avoid double counting (as, for example, in the case of tandem or substitute Awards) as it may deem necessary or desirable in its sole discretion. Shares shall be counted against those reserved to the extent such shares have been delivered and are no longer subject to a substantial risk of forfeiture. Accordingly, to the extent that an Award under the Plan, in whole or in part, is canceled, expired, forfeited, settled in cash, or otherwise terminated without delivery of shares to the Participant, the shares retained by or returned to the Company will not be deemed to have been delivered under the Plan and will be deemed to remain or to become available under this Plan. Notwithstanding the foregoing, shares that are withheld from such an Award or separately surrendered by the Participant in payment of the exercise price or taxes relating to such an Award, and the total number of shares subject to the exercised portion of a stock-settled SAR (regardless of the actual lesser of number shares delivered to the Participant), shall be deemed to have been issued hereunder and shall reduce the number of shares remaining available for issuance under the Plan.

4.4 Reservation of Shares; No Fractional Shares. The Company shall at all times reserve a number of shares of Common Stock sufficient to cover the Company's obligations and contingent obligations to deliver

shares with respect to Awards then outstanding under this Plan (exclusive of any dividend equivalent obligations to the extent the Company has the right to settle such rights in cash). No fractional shares shall be delivered under this Plan. The Administrator may pay cash in lieu of any fractional shares in settlements of Awards under this Plan.

5. ELIGIBILITY

5.1 Eligible Persons. The Administrator (as such term is defined in Section 3.1) may grant Awards under this Plan only to those persons that the Administrator determines to be Eligible Persons. An “**Eligible Person**” is any person who is either: (a) an officer (whether or not a director) or employee of the Company or one of its Subsidiaries; (b) a non-employee director of the Company or one of its Subsidiaries; or (c) an individual consultant who renders bona fide services (other than services in connection with the offering or sale of securities of the Company or one of its Subsidiaries in a capital-raising transaction or as a market maker or promoter of securities of the Company or one of its Subsidiaries) to the Company or one of its Subsidiaries and who is selected to participate in this Plan by the Administrator; *provided, however*, that a person who is otherwise an Eligible Person under clause (c) above may participate in this Plan only if such participation would not adversely affect either the Company’s eligibility to use Form S-8 to register under the Securities Act, the offering and sale of shares issuable under this Plan by the Company, or the Company’s compliance with any other applicable laws.

5.2 Participation. The Administrator shall, in its sole and absolute discretion, select from among the Eligible Employees those individuals who shall receive Awards and become Participants under the Plan. There is no right of any Eligible Person to receive an Award under the Plan, and the Administrator has absolute discretion to treat Eligible Employees differently from one another under the Plan. Receipt of an Award by a Participant shall not create the right to receive future Awards under the Plan, but a Participant who has been granted an Award may, if otherwise eligible, be granted additional Awards if the Administrator shall so determine.

6. AWARDS

6.1 Type and Form of Awards. The Administrator shall determine the type or types of Award(s) to be made to each selected Eligible Person. Awards may be granted singly, in combination or in tandem. Awards also may be made in combination or in tandem with, in replacement of, as alternatives to, or as the payment form for grants or rights under any other employee or compensation plan of the Company or one of its Subsidiaries. The types of Awards that may be granted under this Plan are:

6.1.1 Stock Options. An Option is the grant of a right to purchase a specified number of shares of Common Stock during a specified period at a fixed exercise price as determined by the Administrator.

(a) *General Option Provisions.* Options may only be granted to Eligible Persons for whom the Company would be deemed to be an “eligible issuer of service recipient stock,” as defined in Treasury Regulation 1.409A-1(b)(5)(iii)(E). An Option may be intended to be an Incentive Stock Option or a Nonqualified Stock Option. The Award agreement for an Option will indicate if the Option is intended as an ISO; otherwise it will be deemed to be a Nonqualified Stock Option. The maximum term of each Option (ISO or NSO) shall be ten (10) years. The per share exercise price for each Option shall be not less than 100% of the Fair Market Value of a share of Common Stock on the date of grant of the Option. Each Option shall become exercisable at such times and under such conditions and shall be subject to such other terms as may be determined by the Administrator in its discretion. When an Option is exercised, the exercise price for the shares to be purchased shall be paid in full in cash or such other method permitted by the Administrator consistent with Section 5.5.

(b) *Additional Rules Applicable to ISOs.* Notwithstanding the general option rules set forth in subsection (a), above, the following rules shall apply to options intended to qualify as ISOs. ISOs may only be granted to employees of the Company or one of its subsidiaries (for this purpose, the term “subsidiary” is used as defined in Section 424(f) of the Code, which generally requires an unbroken chain of ownership of at least 50% of the total combined voting power of all classes of stock of each subsidiary in the chain beginning with the Company and ending with the subsidiary in question). To the extent that the aggregate Fair Market Value (determined at the time

of grant of the applicable option) of stock with respect to which ISOs first become exercisable by a Participant in any calendar year exceeds \$100,000, taking into account both Common Stock subject to ISOs under this Plan and stock subject to ISOs under all other plans of the Company or one of its Subsidiaries (or any parent or predecessor corporation to the extent required by and within the meaning of Section 422 of the Code and the regulations promulgated thereunder), such options shall be treated as nonqualified stock options. In reducing the number of options treated as ISOs to meet the \$100,000 limit, the most recently granted options shall be reduced first. To the extent a reduction of simultaneously granted options is necessary to meet the \$100,000 limit, the Administrator may, in the manner and to the extent permitted by law, designate which shares of Common Stock are to be treated as shares acquired pursuant to the exercise of an ISO. There shall be imposed in any Award agreement relating to ISOs such other terms and conditions as from time to time are required in order that the option be an "incentive stock option" as that term is defined in Section 422 of the Code. No ISO may be granted to any person who, at the time the option is granted, owns (or is deemed to own under Section 424(d) of the Code) shares of outstanding Common Stock possessing more than 10% of the total combined voting power of all classes of stock of the Company, unless the exercise price of such option is at least 110% of the Fair Market Value of the stock subject to the option and such option by its terms is not exercisable after the expiration of five years from the date such option is granted.

6.1.2 Stock Appreciation Rights. A Stock Appreciation Right or "SAR" is an Award that entitles the Participant to receive, upon exercise of the SAR, a payment in cash and/or Common Stock equal to (or having a Fair Market Value equal to) the product of (x) number of SARs being exercised multiplied by (y) the excess of (i) the Fair Market Value of a share of Common Stock on the date the SAR is exercised, over (ii) the "base price" applicable to the SAR. SARs may only be granted to Eligible Persons for whom the Company would be deemed to be an "eligible issuer of service recipient stock," as defined in Treasury Regulation 1.409A-1(b)(5)(iii)(E). The base price of the SAR shall be determined by the Administrator but shall be not less than the Fair Market Value of the Company's Common Stock on the date of grant. The maximum term of a SAR shall be ten (10) years. SARs shall become exercisable at such times and under such conditions and shall be subject to such other terms as may be determined by the Administrator in its discretion.

6.1.3 Restricted Stock.

(a) *General Restricted Stock Provisions.* Restricted Stock is Common Stock subject to such restrictions on transferability, risk of forfeiture and other restrictions, if any, as the Administrator may impose, which restrictions may lapse separately or in combination at such times, under such circumstances (including based on achievement of performance goals and/or future service requirements), in such installments or otherwise, as the Administrator may determine at the date of grant or thereafter. Except to the extent restricted under the terms of this Plan and the applicable Award Agreement relating to the Restricted Stock, a Participant granted Restricted Stock shall have all of the rights of a stockholder of the Company, including the right to vote the Restricted Stock and the right to receive dividends thereon (subject to the provisions of Section 6.1.3(c), below).

(b) *Certificates for Shares.* Shares of Restricted Stock granted under this Plan may be evidenced in such manner as the Administrator shall determine. If certificates representing Restricted Stock are registered in the name of the Participant, the Administrator may require that such certificates bear an appropriate legend referring to the terms, conditions and restrictions applicable to such Restricted Stock, that the Company retain physical possession of the certificates, and that the Participant deliver a stock power to the Company, endorsed in blank, relating to the Restricted Stock. The Administrator may require that shares of Restricted Stock are held in escrow until all restrictions lapse.

(c) *Dividends and Splits.* As a condition to the grant of an Award of Restricted Stock, any cash dividends paid on shares of Restricted Stock and any stock distributed in connection with a stock split or stock dividend, and any other property distributed as a dividend,

shall be subject to restrictions and a risk of forfeiture to the same extent as the Restricted Stock with respect to which such dividend or distribution was made. In addition, and subject to applicable law, the Administrator may require or permit a Participant to elect that any cash dividends paid on Restricted Stock be automatically reinvested in additional shares of Restricted Stock or applied to the purchase of additional Awards under this Plan, subject to the same vesting schedule as the Restricted Stock to which the dividend relates.

6.1.4 Restricted Stock Units.

(a) *Grant of Restricted Stock Units.* A restricted stock unit, or “RSU”, represents the right to receive from the Company on the respective scheduled vesting or payment date for such RSU, one share of Common Stock or, if specified in the applicable Award agreement, the Fair Market Value of one share of Common Stock paid in cash. The vesting or payment of an Award of RSUs may be subject to the attainment of specified performance goals or targets, forfeitability provisions and such other terms and conditions as the Administrator may determine, subject to the provisions of this Plan.

(b) *Dividend Equivalent Accounts.* If (and only if) required by the applicable Award Agreement, prior to the expiration of the applicable vesting period of an RSU, the Administrator shall pay dividend equivalent rights with respect to RSUs, in which case the Company shall establish an account for the Participant and reflect in that account any securities, cash or other property comprising any dividend or property distribution with respect to the shares of Common Stock underlying each RSU. Each amount or other property credited to any such account shall be subject to the same vesting conditions as the RSU to which it relates. In addition, subject to applicable law, the Administrator may require or permit a Participant to elect that any such dividend equivalent amounts credited to the Participant’s account be automatically deemed reinvested in additional RSUs or applied to the purchase of additional Awards under the Plan, subject to the same vesting schedule as the RSUs to which the dividend equivalent amounts relate. The Participant shall be paid the amounts or other property credited to such account at the same time as payment of the RSU.

(c) *Rights as a Stockholder.* Subject to the restrictions imposed under the terms and conditions of this Plan and the applicable Award Agreement, each Participant receiving RSUs shall have no rights as a stockholder of the Company with respect to such RSUs until such time as shares of Common Stock are issued to the Participant. In the event an RSU is settled in cash, the Participant receiving RSUs shall never receive stockholder rights with respect to such Award. No shares of Common Stock shall be issued at the time a RSU is granted, and the Company will not be required to set aside a fund for the payment of any such Award.

6.1.5 Performance Stock Units.

(a) *Grant of Performance Stock Units.* A Performance Stock Unit, or “PSU,” is a performance-based Award that entitles the Participant to receive shares of Common Stock or, if specified in the Award Agreement, the Fair Market Value of such shares of Common Stock paid in cash, based on the attainment of one or more performance goals. Each Award of PSUs shall designate a target number of PSUs covered by the Award, with the actual number of shares of Common Stock earned (if any) to be based on a formula set forth in the Award Agreement related to the attainment of one or more performance goals set forth in the Award Agreement.

(b) *Dividend Equivalent Accounts.* If (and only if) required by the applicable Award Agreement, the Administrator shall pay dividend equivalent rights with respect to PSUs, in which case the Participant shall be entitled to a cash payment with respect to each PSU earned and payable in an amount based on the ordinary cash dividends that would have been payable to Participant had Participant been the owner of a number of actual shares of Common Stock equal to the number of PSUs earned, from the date of grant of the PSU Award through the date the PSU is paid. If so determined by the Administrator and set forth in the applicable Award Agreement, such

cash amount may be credited with earnings or losses as if deemed reinvested in Company Common Stock or as if used to purchase additional Awards under the Plan. The amount payable shall be made in a single lump sum on the date on which payment is made in respect of the related PSUs.

(c) *Rights as a Stockholder.* Subject to the restrictions imposed under the terms and conditions of this Plan and the applicable Award Agreement, each Participant receiving PSUs shall have no rights as a stockholder of the Company with respect to such PSUs until such time as shares of Common Stock are issued to the Participant. In the event a PSU is settled in cash, the Participant receiving PSUs shall never receive stockholder rights with respect to such Award. No shares of Common Stock shall be issued at the time a PSU is granted, and the Company will not be required to set aside a fund for the payment of any such Award.

6.1.6 Cash Awards. The Administrator may, from time to time, subject to the provisions of the Plan and such other terms and conditions as it may determine, grant cash bonuses (including without limitation, discretionary Awards, Awards based on objective or subjective performance criteria, Awards subject to other vesting criteria or Awards granted consistent with Section 5.2 below). Cash Awards shall be Awarded in such amount and at such times during the term of the Plan as the Administrator shall determine.

6.1.7 Other Awards. The other types of Awards that may be granted under this Plan include: (a) stock bonuses, dividend equivalents, or similar rights to purchase or acquire shares, whether at a fixed or variable price or ratio related to the Common Stock (subject to compliance with applicable laws), upon the passage of time, the occurrence of one or more events, or the satisfaction of performance criteria or other conditions, or any combination thereof; or (b) any similar securities with a value derived from the value of or related to the Common Stock and/or returns thereon.

6.2 Award Agreements. Each Award (other than cash Awards described in Section 6.1.6) shall be evidenced by a written or electronic Award Agreement in the form approved by the Administrator and, if required by the Administrator, executed or accepted by the recipient of the Award. The Administrator may authorize any officer of the Company (other than the particular Award recipient) to execute any or all Award Agreements on behalf of the Company (electronically or otherwise). The Award agreement shall set forth the material terms and conditions of the Award as established by the Administrator consistent with the express limitations of this Plan.

6.3 Deferrals and Settlements. Except as otherwise set forth herein, payment of Awards may be in the form of cash, Common Stock, other Awards or combinations thereof as the Administrator shall determine, and with such restrictions as it may impose. The Administrator may also require or permit Participants to elect to defer the issuance of shares of Common Stock or the settlement of Awards in cash under such rules and procedures as it may establish under this Plan. The Administrator may also provide that deferred settlements include the payment or crediting of interest or other earnings on the deferral amounts, or the payment or crediting of dividend equivalents where the deferred amounts are denominated in shares. All mandatory or elective deferrals of the issuance of shares of Common Stock or the settlement of cash Awards shall be structured in a manner that is intended to comply with the requirements of Section 409A of the Code.

6.4 Consideration for Common Stock or Awards. The purchase price for any Award granted under this Plan or the Common Stock to be delivered pursuant to an Award, as applicable, may be paid by means of any lawful consideration as determined by the Administrator and subject to compliance with applicable laws, including, without limitation, one or a combination of the following methods:

services rendered by the recipient of such Award;

cash, check payable to the order of the Company, or electronic funds transfer;

notice and third-party payment in such manner as may be authorized by the Administrator;

the delivery of previously owned shares of Common Stock that are fully vested and unencumbered;

by a reduction in the number of shares otherwise deliverable pursuant to the Award; or

subject to such procedures as the Administrator may adopt, pursuant to a “cashless exercise” with a third party who provides financing for the purposes of (or who otherwise facilitates) the purchase or exercise of Awards.

In the event that the Administrator allows a Participant to exercise an Award by delivering shares of Common Stock previously owned by such Participant and unless otherwise expressly provided by the Administrator, any shares delivered which were initially acquired by the Participant from the Company (upon exercise of an Option or otherwise) must have been owned by the Participant at least six months as of the date of delivery (or such other period as may be required by the Administrator in order to avoid adverse accounting treatment). Shares of Common Stock used to satisfy the exercise price of an Option shall be valued at their Fair Market Value on the date of exercise. The Company will not be obligated to deliver any shares unless and until it receives full payment of the exercise or purchase price therefor and any related withholding obligations under Section 9.1 and any other conditions to exercise or purchase, as established from time to time by the Administrator, have been satisfied. Unless otherwise expressly provided in the applicable Award Agreement, the Administrator may at any time eliminate or limit a Participant’s ability to pay the purchase or exercise price of any Award by any method other than cash payment to the Company.

6.5 Minimum Vesting Schedule. Except as provided below, all Awards granted under the Plan shall have a minimum one year cliff vesting schedule meaning that no portion of any Award may be scheduled to vest prior to one year after the date of grant of such Award. Notwithstanding the foregoing, up to five percent (5%) of the total number of shares of Common Stock authorized by the Board and the stockholders for issuance under the Plan may be granted pursuant to Awards not subject to the minimum vesting schedule described above. The Administrator may adopt reasonable counting procedures to determine whether the five percent (5%) limit in the preceding sentence has been attained. The Administrator may also apply reasonable rules and rounding conventions to determine whether an Award complies with the above-referenced minimum vesting schedule.

6.6 Transfer Restrictions.

6.6.1 Limitations on Exercise and Transfer. Unless otherwise expressly provided in (or pursuant to) this Section 6.6, by applicable law and by the Award agreement, as the same may be amended, (a) all Awards are non-transferable and shall not be subject in any manner to sale, transfer, anticipation, alienation, assignment, pledge, encumbrance or charge; (b) Awards shall be exercised only by the Participant; and (c) amounts payable or shares issuable pursuant to any Award shall be delivered only to (or for the account of) the Participant.

6.6.2 Exceptions. The Administrator may permit Awards to be exercised by and paid to, or otherwise transferred to, other persons or entities pursuant to such conditions and procedures, including limitations on subsequent transfers, as the Administrator may, in its sole discretion, establish in writing (provided that any such transfers of ISOs shall be limited to the extent permitted under the federal tax laws governing ISOs). Any permitted transfer shall be subject to compliance with applicable federal and state securities laws.

6.6.3 Further Exceptions to Limits on Transfer. The exercise and transfer restrictions in Section 6.6.1 shall not apply to:

(a) transfers to the Company,

(b) the designation of a beneficiary to receive benefits in the event of the Participant’s death or, if the Participant has died, transfers to or exercise by the Participant’s beneficiary, or, in

the absence of a validly designated beneficiary, transfers by will or the laws of descent and distribution,

(c) subject to any applicable limitations on ISOs, transfers to a family member (or former family member) pursuant to a domestic relations order if approved or ratified by the Administrator,

(d) subject to any applicable limitations on ISOs, if the Participant has suffered a Disability, permitted transfers or exercises on behalf of the Participant by his or her legal representative, or

(e) the authorization by the Administrator of “cashless exercise” procedures with third parties who provide financing for the purpose of (or who otherwise facilitate) the exercise of Awards consistent with applicable laws and the express authorization of the Administrator.

6.7 International Awards. One or more Awards may be granted to Eligible Persons who provide services to the Company or one of its Subsidiaries outside of the United States. Any Awards granted to such persons may, if deemed necessary or advisable by the Administrator, be granted pursuant to the terms and conditions of any applicable sub-plans, if any, appended to this Plan and approved by the Administrator.

6.8 Dividend and Dividend Equivalents. Notwithstanding anything to the contrary herein, in no event may accrued dividends or dividend equivalents with respect to any Award issued under the Plan be paid prior to the vesting of such Award.

7. EFFECT OF TERMINATION OF SERVICE ON AWARDS

7.1 Termination of Employment.

7.1.1 Administrator Determination. The Administrator shall establish the effect of a termination of employment or service on the rights and benefits under each Award under this Plan and in so doing may make distinctions based upon, inter alia, the cause of termination and type of Award. If the Participant is not an employee of the Company or one of its Subsidiaries and provides other services to the Company or one of its Subsidiaries, the Administrator shall be the sole judge for purposes of this Plan (unless a contract or the Award agreement otherwise provides) of whether the Participant continues to render services to the Company or one of its Subsidiaries and the date, if any, upon which such services shall be deemed to have terminated.

7.1.2 Stock Options and SARs. For Awards of Options or SARs, unless the Award agreement provides otherwise, the exercise period of such Options or SARs shall expire: (1) three months after the last day that the Participant is employed by or provides services to the Company or a Subsidiary (*provided however*, that in the event of the Participant’s death during this period, those persons entitled to exercise the Option or SAR pursuant to the laws of descent and distribution shall have one year following the date of death within which to exercise such option or SAR); (2) in the case of a Participant whose termination of employment is due to death or Disability (as defined in the applicable Award agreement), 12 months after the last day that the Participant is employed by or provides services to the Company or a Subsidiary; and (3) immediately upon a Participant’s termination for Cause. The Administrator will, in its absolute discretion, determine the effect of all matters and questions relating to a termination of employment, including, but not by way of limitation, the question of whether a leave of absence constitutes a termination of employment and whether a Participant’s termination is for Cause.

7.1.3 Other Awards. For all other Awards issued under the Plan, unless the Award agreement provides otherwise, the portion of such Awards that are unvested at the time that a Participant’s employment or service is terminated shall be forfeited and reacquired by the Company; *provided however*, the Administrator may provide, by rule or regulation or in any Award agreement, or may determine in any individual case, that such forfeiture requirement shall be waived in whole or in part.

7.2 Events Not Deemed Terminations of Service. Unless the express policy of the Company or one of its Subsidiaries, or the Administrator, otherwise provides, the employment relationship shall not be considered terminated in the case of (a) sick leave, (b) military leave, or (c) any other paid leave of absence authorized by the Company or one of its Subsidiaries, or the Administrator; *provided* that unless reemployment upon the expiration of such leave is guaranteed by contract or law, such leave is for a period of not more than 3 months. In the case of any employee of the Company or one of its Subsidiaries on an approved leave of absence, continued vesting of the Award while on leave from the employ of the Company or one of its Subsidiaries may be suspended until the employee returns to service, unless the Administrator otherwise provides or applicable law otherwise requires. In no event shall an Award be exercised after the expiration of the term set forth in the Award agreement.

7.3 Effect of Change of Subsidiary Status. For purposes of this Plan and any Award, if an entity ceases to be a Subsidiary of the Company, a termination of employment or service shall be deemed to have occurred with respect to each Eligible Person in respect of such Subsidiary who does not continue as an Eligible Person in respect of the Company or another Subsidiary that continues as such after giving effect to the transaction or other event giving rise to the change in status.

8. ADJUSTMENTS; ACCELERATION

8.1 Adjustments. Upon or in contemplation of (a) any reclassification, recapitalization, stock split (including a stock split in the form of a stock dividend) or reverse stock split, (b) any merger, arrangement, combination, consolidation, or other reorganization, (c) any spin-off, split-up, or similar extraordinary dividend distribution in respect of the Common Stock (whether in the form of securities or property), or (d) any exchange of Common Stock or other securities of the Company, or any similar, unusual or extraordinary corporate transaction in respect of the Common Stock, the Administrator shall in such manner, to such extent and at such time as it deems appropriate and equitable in the circumstances (but subject to compliance with applicable laws and stock exchange requirements) proportionately adjust any or all of (1) the number and type of shares of Common Stock (or other securities) that thereafter may be made the subject of Awards (including the Share Limit), (2) the number, amount and type of shares of Common Stock (or other securities or property) subject to any or all outstanding Awards, (3) the grant, purchase, or exercise price (which term includes the base price of any SAR or similar right) of any or all outstanding Awards, and (4) the securities, cash or other property deliverable upon exercise or payment of any outstanding Awards. Any adjustment made pursuant to this Section 8.1 shall be made in a manner that, in the good faith determination of the Administrator, will not likely result in the imposition of additional taxes or interest under Section 409A of the Code. With respect to any Award of an ISO, the Administrator may make such an adjustment that causes the option to cease to qualify as an ISO without the consent of the affected Participant.

8.2 Change in Control. Unless otherwise provided in an applicable Award Agreement, in the event of a Change in Control, the Administrator shall have full discretion to take whatever actions it deems necessary or appropriate with respect to outstanding Awards, including, but not limited to: (i) to provide for full or partial accelerated vesting of any Award or portion thereof, either immediately prior to such Change in Control or on such terms and conditions following the Change in Control (such as a termination without cause) as the Administrator determines in its sole and absolute discretion, (ii) to provide for the assumption of such Awards (or portions thereof) or the substitution of such Awards (or portions thereof) with similar awards of the surviving or acquiring company, in a manner designed to comply with Section 409A of the Code, (iii) to provide for the cash out and cancellation of any Award (or portion thereof) immediately prior to such Change in Control, which cash out may (in a manner designed to comply with Code Section 409A) be subject to any escrow, earn-out or other contingent or deferred payment arrangement that is contemplated by such Change in Control, and (iv) take any other actions as the Administrator deems necessary or advisable in connection with such Change in Control transaction; *provided*, however, that in the event the surviving or acquiring company does not assume the outstanding Awards (or portions thereof) or substitute similar stock awards for those outstanding under the Plan as of the Change in Control, then (i) the vesting and exercisability (if applicable) of all Awards (or portions thereof) shall be accelerated in full immediately prior to such Change in Control, and (ii) such outstanding Awards (or portions thereof) shall terminate and/or be payable upon the occurrence of the Change in Control. The Administrator may take different actions with respect to different Participants under the Plan, different Awards under the Plan, and different portions of Awards granted under the Plan.

9. TAX PROVISIONS

9.1 Tax Withholding. Upon any exercise, vesting, or payment of any Award, the Company or one of its Subsidiaries shall have the right at its option to:

(a) require the Participant (or the Participant's personal representative or beneficiary, as the case may be) to pay or provide for payment of at least the minimum amount of any taxes which the Company or one of its Subsidiaries may be required to withhold with respect to such Award event or payment; or

(b) deduct from any amount otherwise payable in cash to the Participant (or the Participant's personal representative or beneficiary, as the case may be) the minimum amount of any taxes which the Company or one of its Subsidiaries may be required to withhold with respect to such cash payment.

In any case where a tax is required to be withheld in connection with the delivery of shares of Common Stock under this Plan, the Administrator may in its sole discretion (subject to Section 10.1) grant (either at the time of the Award or thereafter) to the Participant the right to elect, pursuant to such rules and subject to such conditions as the Administrator may establish, to have the Company reduce the number of shares to be delivered by (or otherwise reacquire) the appropriate number of shares, valued in a consistent manner at their Fair Market Value or at the sales price in accordance with authorized procedures for cashless exercises, necessary to satisfy the applicable withholding obligation on exercise, vesting or payment, not in excess of the maximum statutory rates in the Participant's applicable jurisdictions.

9.2 Requirement of Notification of Code Section 83(b) Election. If any Participant shall make an election under Code Section 83(b) (to include in gross income in the year of transfer the amounts specified in Code Section 83(b)) or under a similar provisions of the laws of a jurisdiction outside the United States, such Participant shall notify the Company of such election within ten (10) days after filing notice of the election with the Internal Revenue Service or other government authority, in addition to any filing and notification required pursuant to regulations issued under Code Section 83(b) or other applicable provision.

9.3 Requirement of Notification of Disqualifying Disposition. If any Participant shall make any disposition of shares of stock delivered pursuant to the exercise of an ISO under the circumstances described in Code Section 421(b) (relating to certain disqualifying dispositions), such Participant shall notify the Company of such disposition within ten (10) days thereof.

10. OTHER PROVISIONS

10.1 Compliance with Laws. This Plan, the granting and vesting of Awards under this Plan, the offer, issuance and delivery of shares of Common Stock, the payment of money under this Plan or under Awards are subject to compliance with all applicable federal and state laws, rules and regulations and to such approvals by any applicable stock exchange listing, regulatory or governmental authority as may, in the opinion of counsel for the Company, be necessary or advisable in connection therewith. The person acquiring any securities under this Plan will, if requested by the Company or one of its Subsidiaries, provide such assurances and representations to the Company or one of its Subsidiaries as the Administrator may deem necessary or desirable to assure compliance with all applicable legal and accounting requirements.

10.2 Future Awards/Other Rights. No person shall have any claim or rights to be granted an Award (or additional Awards, as the case may be) under this Plan, subject to any express contractual rights (set forth in a document other than this Plan) to the contrary.

10.3 No Employment/Service Contract. Nothing contained in this Plan (or in any other documents under this Plan or in any Award) shall confer upon any Eligible Person or other Participant any right to continue in the employ or other service of the Company or one of its Subsidiaries, constitute any contract or agreement of employment or other service or affect an employee's status as an employee at will, nor shall interfere in any way with the right of the Company or one of its Subsidiaries to change a person's compensation or other benefits, or to terminate his or her employment or other service, with or without cause. Nothing in this Section 10.3, however, is intended to adversely affect any express independent right of such person under a separate employment or service contract other than an Award agreement.

10.4 Plan Not Funded. Awards payable under this Plan shall be payable in shares of Common Stock or from the general assets of the Company, and no special or separate reserve, fund or deposit shall be made to assure payment of such Awards. No Participant, beneficiary or other person shall have any right, title or interest in any fund or in any specific asset (including shares of Common Stock, except as expressly otherwise provided) of the Company or one of its Subsidiaries by reason of any Award hereunder. Neither the provisions of this Plan (or of any related documents), nor the creation or adoption of this Plan, nor any action taken pursuant to the provisions of this Plan shall create, or be construed to create, a trust of any kind or a fiduciary relationship between the Company or one of its Subsidiaries and any Participant, beneficiary or other person. To the extent that a Participant, beneficiary or other person acquires a right to receive payment pursuant to any Award hereunder, such right shall be no greater than the right of any unsecured general creditor of the Company.

10.5 Effective Date, Termination and Suspension, Amendments.

10.5.1 Effective Date and Termination. This Plan was approved by the Board and shall become effective upon approval by the stockholders at the Company's next Annual Meeting (the "**Effective Date**"). Unless earlier terminated by the Board, this Plan shall terminate at the close of business ten years after the date on which it was approved by the Board. After the termination of this Plan either upon such stated expiration date or its earlier termination by the Board, no additional Awards may be granted under this Plan, but previously granted Awards (and the authority of the Administrator with respect thereto, including the authority to amend such Awards) shall remain outstanding in accordance with their applicable terms and conditions and the terms and conditions of this Plan.

10.5.2 Board Authorization. The Board may, at any time, terminate or, from time to time, amend, modify or suspend this Plan, in whole or in part. No Awards may be granted during any period that the Board suspends this Plan.

10.5.3 Stockholder Approval. To the extent then required by applicable law or any applicable stock exchange or required to preserve the intended tax consequences of this Plan, or deemed necessary or advisable by the Board, this Plan and any amendment to this Plan shall be subject to approval by the stockholders of the Company.

10.5.4 Amendments to Awards. Without limiting any other express authority of the Administrator under (but subject to) the express limits of this Plan, the Administrator by agreement or resolution may waive conditions of or limitations on Awards to Participants that the Administrator in the prior exercise of its discretion has imposed, without the consent of a Participant, and (subject to the requirements of Sections 3.2 and 10.5.5) may make other changes to the terms and conditions of Awards. Any amendment or other action that would constitute a repricing of an Award is subject to the limitations set forth in Section 3.2(g).

10.5.5 Limitations on Amendments to Plan and Awards. No amendment, suspension or termination of this Plan or change of or affecting any outstanding Award shall, without written consent of the Participant, affect in any manner materially adverse to the Participant any rights or benefits of the Participant or obligations of the Company under any Award granted under this Plan. Changes, settlements and other actions contemplated by Section 8 shall not be deemed to constitute changes or amendments for purposes of this Section 10.5.5.

10.6 Privileges of Stock Ownership. Except as otherwise expressly authorized by the Administrator or this Plan, a Participant shall not be entitled to any privilege of stock ownership as to any shares of Common Stock not actually delivered to and held of record by the Participant. Except as expressly provided herein, no adjustment will be made for dividends or other rights as a stockholder of the Company for which a record date is prior to such date of delivery.

10.7 Governing Law; Construction; Severability.

10.7.1 Choice of Law. This Plan, the Awards, all documents evidencing Awards and all other related documents shall be governed by, and construed in accordance with the laws of the State of Delaware.

10.7.2 Severability. If a court of competent jurisdiction holds any provision of this Plan invalid and unenforceable, the remaining provisions of this Plan shall continue in effect and the Plan shall be construed and enforced without regard to the illegal or invalid provision.

10.7.3 Plan Construction.

(a) *Rule 16b-3.* It is the intent of the Company that the Awards and transactions permitted by Awards be interpreted in a manner that, in the case of Participants who are or may be subject to Section 16 of the Exchange Act, qualify, to the maximum extent compatible with the express terms of the Award, for exemption from matching liability under Rule 16b-3 promulgated under the Exchange Act. Notwithstanding the foregoing, the Company shall have no liability to any Participant for Section 16 consequences of Awards or events under Awards if an Award or event does not so qualify.

(b) *Compliance with Section 409A of the Code.* The Board intends that, except as may be otherwise determined by the Administrator, any Awards under the Plan will be either exempt from or satisfy the requirements of Section 409A to avoid the imposition of any taxes, including additional income or penalty taxes, thereunder. If the Administrator determines that an Award, Award agreement, acceleration, adjustment to the terms of an Award, payment, distribution, deferral election, transaction or any other action or arrangement contemplated by the provisions of the Plan would, if undertaken, cause a Participant's Award to become subject to Section 409A, unless the Administrator expressly determines otherwise, such Award, Award agreement, payment, acceleration, adjustment, distribution, deferral election, transaction or other action or arrangement shall not be undertaken and the related provisions of the Plan and/or Award agreement will be deemed modified or, if necessary, rescinded in order to comply with the requirements of Section 409A to the extent determined by the Administrator without the consent of or notice to the Participant. Notwithstanding the foregoing, neither the Company nor the Administrator shall have any obligation to take any action to prevent the assessment of any excise tax or penalty on any Participant under Section 409A and neither the Company nor the Administrator will have any liability to any Participant for such tax or penalty.

(c) *No Guarantee of Favorable Tax Treatment.* Although the Company intends that Awards under the Plan will be exempt from, or will comply with, the requirements of Section 409A of the Code, the Company does not warrant that any Award under the Plan will qualify for favorable tax treatment under Section 409A of the Code or any other provision of federal, state, local or foreign law. The Company shall not be liable to any Participant for any tax, interest or penalties the Participant might owe as a result of the grant, holding, vesting, exercise or payment of any Award under the Plan.

10.8 Captions. Captions and headings are given to the sections and subsections of this Plan solely as a convenience to facilitate reference. Such headings shall not be deemed in any way material or relevant to the construction or interpretation of this Plan or any provision thereof.

10.9 Stock-Based Awards in Substitution for Stock Options or Awards Granted by Other Corporation. Awards may be granted to Eligible Persons in substitution for or in connection with an assumption of employee stock options, stock appreciation right, restricted stock or other stock-based awards granted by other entities to persons who are or who will become Eligible Persons in respect of the Company or one of its Subsidiaries, in connection with a distribution, arrangement, business combination, merger or other reorganization by or with the granting entity or an affiliated entity, or the acquisition by the Company or one of its Subsidiaries, directly or indirectly, of all or a substantial part of the stock or assets of the employing entity. The Awards so granted need not comply with other specific terms of this Plan, provided the Awards reflect only adjustments giving effect to the assumption or substitution consistent with the conversion applicable to the Common Stock in the transaction and any change in the issuer of the security. Any shares that are delivered and any Awards that are granted by, or become obligations of, the Company, as a result of the assumption by the Company of, or in substitution for, outstanding Awards previously granted by an acquired company (or previously granted by a

predecessor employer (or direct or indirect parent thereof) in the case of persons that become employed by the Company or one of its Subsidiaries in connection with a business or asset acquisition or similar transaction) shall not be counted against the Share Limit or other limits on the number of shares available for issuance under this Plan, except as may otherwise be provided by the Administrator at the time of such assumption or substitution or as may be required to comply with the requirements of any applicable stock exchange.

10.10 *Non-Exclusivity of Plan.* Nothing in this Plan shall limit or be deemed to limit the authority of the Board or the Administrator to grant Awards or authorize any other compensation, with or without reference to the Common Stock, under any other plan or authority.

10.11 *No Corporate Action Restriction.* The existence of this Plan, the Award agreements and the Awards granted hereunder shall not limit, affect or restrict in any way the right or power of the Board or the stockholders of the Company to make or authorize: (a) any adjustment, recapitalization, reorganization or other change in the capital structure or business of the Company or any Subsidiary, (b) any merger, arrangement, business combination, amalgamation, consolidation or change in the ownership of the Company or any Subsidiary, (c) any issue of bonds, debentures, capital, preferred or prior preference stock ahead of or affecting the capital stock (or the rights thereof) of the Company or any Subsidiary, (d) any dissolution or liquidation of the Company or any Subsidiary, (e) any sale or transfer of all or any part of the assets or business of the Company or any Subsidiary, or (f) any other corporate act or proceeding by the Company or any Subsidiary. No Participant, beneficiary or any other person shall have any claim under any Award or Award Agreement against any member of the Board or the Administrator, or the Company or any employees, officers or agents of the Company or any Subsidiary, as a result of any such action.

10.12 *Other Company Benefit and Compensation Programs.* Payments and other benefits received by a Participant under an Award made pursuant to this Plan shall not be deemed a part of a Participant's compensation for purposes of the determination of benefits under any other employee welfare or benefit plans or arrangements, if any, provided by the Company or any Subsidiary, except where the Administrator expressly otherwise provides or authorizes in writing or except as otherwise specifically set forth in the terms and conditions of such other employee welfare or benefit plan or arrangement. Awards under this Plan may be made in addition to, in combination with, as alternatives to or in payment of grants, Awards or commitments under any other plans or arrangements of the Company or its Subsidiaries.

10.13 *Restrictive Covenants and Clawback Policy.*

10.13.1 *Restrictive Covenants.* Anything contained in the Plan to the contrary notwithstanding, unless restrictive covenants protecting the Company are set forth in an employment or other agreement by and between the Company and the Participant or in any applicable severance or similar plan sponsored by the Company, with respect to any Participant who is an employee, if the employment of any Participant shall terminate, for any reason other than death, while any Award to such Participant is outstanding hereunder, and such Participant has not yet received the shares covered by such Award or otherwise received the full benefit of such Award, such Participant, if otherwise entitled thereto, shall receive such shares or benefit only if, during the entire period from the date of such Participant's termination to the date of such receipt, such Participant shall have earned such Award by: (i) making himself or herself available, upon request, at reasonable times and upon a reasonable basis, to consult with, supply information to, and otherwise cooperate with the Company or any Subsidiary or Affiliate thereof with respect to any matter that shall have been handled by him or her or under his or her supervision while he or she was in the employ of the Company or of any Subsidiary or Affiliate thereof; and (ii) refraining from engaging in any activity within any county or parish, or adjacent to any county or parish, in which the Company owns any oil and gas interests that is directly or indirectly in competition with any gas, exploration and production activities, including oil and gas leasing or drilling activities of the Company or any Subsidiary or Affiliate thereof for a period of one (1) year following his or her termination of employment.

10.13.2 *Breach of Restrictive Covenants.* In the event of a Participant's nonfulfillment of any condition set forth in Section 10.13.1 hereof, such Participant's rights under any Award shall be forfeited and canceled forthwith and such forfeiture and cancellation shall be the Company's sole remedy; provided, however, that the nonfulfillment of such condition may at any time (whether before, at the time of, or

subsequent to termination of employment) be waived by the Committee upon its determination that in its sole judgment there shall not have been and will not be any substantial adverse effect upon the Company or any Subsidiary or Affiliate thereof by reason of the nonfulfillment of such condition.

10.13.3 Awards Subject to Clawback. Awards under the Plan shall be subject to any clawback policy adopted by the Company from time to time.

11. DIRECTOR COMPENSATION PROVISIONS

11.1 Plan Exclusive Vehicle for Non-Employee Director Cash and Equity Compensation. All cash and equity compensation paid or provided to the Company's non-employee directors shall be awarded under the terms and conditions of this Plan.

11.2 Non-Employee Director Compensation. Non-employee directors may be Awarded any of the types of Awards described in Section 6 above for which they are eligible under the terms and conditions of Section 6, above.

11.2.1 Cash Awards. Cash Awards (as described in Section 6.1.6) may take any form determined by the Administrator in its sole and absolute discretion, including, but not limited to, retainers, committee fees, chairperson fees, per meeting fees, and special fees for committee service. In no event shall cash Awards paid to any non-employee director exceed \$400,000 in any fiscal year.

11.2.2 Equity Awards.
